+ Easy-Care Gold Maintenance Plan

Provides peace of mind and the insurance of a fixed cost. There is very little that this plan does not cover, making your costs as predictable and manageable as possible.

What's covered?

- Manufacturer's routine maintenance and scheduled servicing as described in the operator's manual and service manual of the product
- Unlimited visits
- Breakdowns and call out costs included
- Replacement blades, bottom blades or cylinders when wear levels below specification
- Free annual health check per machine
- Toro genuine spare parts
- One blade or cylinder regrind per fairway mower per annum
- Two regrinds on greens and tees mowers per annum
- Includes hydraulic motors, pumps, hoses
- Includes all electrical components including LED displays, batteries, switches, relays etc.
- Includes engine failures and DPF failures, injection pump, seals and gaskets, engine block, cylinder head, crankcase, alternator, glow plugs, exhaust parts, clutch parts, radiator, thermostats etc.
- Labour and parts included
- Oils and lubricants (bio-oil not included)
- Machinery software updates
- Disposal fees (oil and filters only)
- Consumables included
- Includes power unit and cutting unit
- Fixed fees monthly, quarterly or annually for the duration of the agreement (up to five years maximum)
- Includes NSTS testing (sprayers only) when required
- **Acts like a five year warranty.**

+ Easy-Care Silver Maintenance Plan

Covers regular maintenance as per the manufacturer's handbook. Included in this plan are your oil and filter changes plus regrind and sharpening of blades and cylinders or replacement blades and cylinders if the wear levels are below specification.

What's covered?

- Manufacturer's routine maintenance and scheduled servicing as described in the operator's manual and service manual of the product
- Labour and parts to carry out the routine maintenance
- Air and oil filters
- Oils and lubricants (bio-oil not included)
- One blade or cylinder regrind per fairway mower per annum
- Two regrinds on greens or tees mowers per annum
- Free annual health check per machine
- Replacement blades, bottom blades or cylinders when wear levels below specification
- Disposal fees (oil and filters only)
- Consumables included
- Includes power unit and cutting unit servicing
- Fixed fees monthly, quarterly or annually for the duration of the agreement (up to five years maximum)
- Machinery software updates (one per year)
- Mileage for planned maintenance.

+ Easy-Care Bronze Maintenance Plan

Covers basic engine and hydraulic servicing when the machine is due for an engine or transmission service as per the operator's manual. Maintenance for cutting units not included.

What's covered?

- Manufacturer's routine maintenance and scheduled servicing as described in the operator's manual and service manual of the product
- Free annual health check per machine
- Air and oil filters
- Oils and lubricants (bio-oil not included)
- Disposal fees (oil and filters only)
- Covers power unit only
- Fixed fees monthly, quarterly or annually for the duration of the agreement (up to five years maximum)
- Mileage for planned maintenance.
